1.0 INTRODUCTION

1.1 Purpose of Proposal

The City of Woodstock is accepting proposals from qualified contractors for the purpose of providing and installing wayfinding signage in the City.

A six Member City Council and a Mayor govern the City of Woodstock. The City is administered by a City Manager who reports directly to the Council. The City Manager directs and oversees the activities of the appointed City department heads.

Interested parties must submit proposals (3 hard copies and a PDF electronic format) to the City of Woodstock Finance Department by the due date for their proposals to be considered.

1.2 Schedule

This Request for Proposals is scheduled as follows:

July 19, 2013	Release of RFP
August 6, 2013, 3:00 P.M.	Proposals due date
August 2013	Contract award
August 2013	Contractor begins work

1.3 Communications with Staff

From the issue date of the solicitation document and until a Contractor is selected and the selection is made public, Vendors are not allowed to communicate for any reason with any City staff except through the Purchasing Manager named in this document or during the bidder's/offeror's conference, or as provided for existing contracts.

For violation of this provision, the City may reject any bid/proposal of the offending bidder/offeror or initiate suspension/debarment proceeding with respect to the offending vendor or bidder/offeror.

1.4 Questions & Answers

All questions concerning this RFP must be submitted via email or writing to the City's Purchasing Manager:

Crystal L. Welch
12453 Highway 92
Woodstock, Georgia 30188
clwelch@woodstockga.gov

No questions other than written will be accepted. Answers to written questions along with necessary corrections or additions thereto, will be sent to all responding vendors in an email notification.

1.5 Contract Term

This Contract shall not be deemed to create a debt of the City for the payment of any sum beyond the fiscal year in which the budget appropriations have been made.

2.0 SCOPE OF WORK

2.1 Type of Good/Service and Objectives:

The City of Woodstock is seeking qualified contractors for the purpose of providing and installing wayfinding signage in the City. The Signage and Wayfinding Package for the City of Woodstock consists of multiple sign types as described below and in Exhibit A – Signage & Wayfinding Plans & Specifications.

2.2 Standard Products & Services Specifications

Goods and services shall meet or exceed the following guidelines:

- Vehicular Directional (Quantity: 5) (Location: TBD) (spec page 3.0-3.1)
- Pedestrian Info Kiosk (Quantity: 1 four-sided, 1 2-sided) (Location: TBD) (spec page 4.0-4.1)
- Parking Identification (Quantity: 5) (Location: TBD) (spec page 6.0-6.1)

The sign message schedule is to be determined.

Construction of sign types will include masonry, heavy metal fabrication, and automotive quality paint finishing.

Installation of all signage shall conform to all GDOT and MUTCD standards as required and all signage structure and foundations shall be certified by a structural engineer.

All labor shall carry a minimum of three (3) year warranty. All materials shall carry the standard manufacturer's warranty (min. 5 years).

It is the successful contractor's responsibility to install all products consistent with manufacturer's requirements.

Contractor shall provide all labor and materials necessary to complete installation.

Detailed project specifications may be found in Exhibit A – Signage & Wayfinding Package Plans and Specifications (attached).

2.3 Brand Name

Unless otherwise specified, the items in this bid have been identified, described, and referenced by a brand name or trade name/mark that is intended to be descriptive, but not restrictive, and is used to indicate the quality and characteristics of products that may be offered.

Other products may be considered for award if such products are clearly identified in the bid and are determined by the City to meet its needs in all respects. It shall be the responsibility of the bidder(s), including the bidder whose product is referenced, to indicate the brand name and model or series number of the product offered and to furnish with their bid such specifications, catalog pages, brochures, or other data that will provide an adequate basis for determining the quality and functional capabilities of the product offered.

However, the City may elect to purchase brand name products or services when the goods comprise a major brand system, program, or service previously selected by the City and due to operation effectiveness, future enhancements or additions, or maintenance and storage of spare parts preclude the mixing of brands, manufactures, etc.

Any information provided should be properly labeled. The City reserves the right to request product demonstrations and/or samples from any bidders prior to bid award. Failure to provide the requested data or product demonstrations and/or samples may be considered valid justification for rejection of bid.

2.4 Delivery Time

Bidders should specify the delivery time they are able to meet with respect to the supply of these commodities and services.

3.0 PROPOSAL FORMAT

1. Firm Information - Firm name, address, telephone and fax numbers, and the names, addresses and telephone/fax numbers of any sub consultants. If the firm has branch offices, state the office that will have management responsibility for the work to be carried out.
2. Statement of Duration – Provide a statement of duration of time your firm has been in business and if any projects have incurred any type of litigation or lawsuits against your company and the results of any such litigation/lawsuit.
3. References: Provide a minimum of three (3) references for which the firm completed projects of similar size.

4. Portfolio: Provide photos and shop drawings from minimum of three (3) exterior public or municipal signage projects of which a minimum of 65% of production occurred in-house.
5. Provide a list of in-house services versus items that must be outsourced. Include engineering capabilities for all signage requiring stamped engineering documents.
6. Itemized Fee Proposal (Exhibit B – Itemized Fee Proposal Form attached) in a **separate sealed envelope** within the RFP.
7. A current copy of the firm's Public Liability Insurance, Workers' Compensation and Commercial General Liability Insurance.
8. Completed Exhibit C: Security and Immigration Compliance Packet.

A clear, concise proposal in the specified proposal format is requested with all the necessary information included.

Address proposals to:

**City of Woodstock
Attn: Crystal L. Welch
12453 Highway 92
Woodstock, GA 30188**

Please **indicate the RFP Number** on the outside of the envelope.

3.1 Terms and Conditions

1. The City of Woodstock hereby requests proposals for the goods and services inclusive of the above listed scope of work.
2. City of Woodstock reserves the right to evaluate the firm's qualifications. Only those firms who, in the opinion of the City of Woodstock, meet the minimum necessary qualifications will have their price and contract/agreement proposal evaluated.
3. All proposals, fee schedules and other documents furnished to the City of Woodstock are subject to the Georgia Open Records Act.
4. Termination: The contract will be subject to the terms and conditions included in the Service Agreement. The City of Woodstock reserves the right to cancel due to nonperformance or violation of contract terms.

4.0 OTHER ITEMS

4.1 Confidentiality

Service Provider on behalf of itself and its employees agrees to keep confidential all records and other information with respect to City of Woodstock, its citizens and customers. However, if the service provider is required to produce any such information by order of any governmental agency, other regulatory body or as required by the Georgia Open Records Act, it may, upon not less than five (5) days written notice to the city, release the required information.

4.2 Data Ownership

All records, data, files, input materials, reports, forms and other data received, computed, developed, used and/or stored pursuant to this agreement are the exclusive property of City of Woodstock. All such records and other data shall be furnished without additional charge, except for the actual processing costs, to City of Woodstock in available machine-readable form promptly upon termination of this agreement for any reason whatsoever. Furthermore, upon City of Woodstock's request at any time or times while this agreement is in effect, Service Provider shall promptly deliver to City of Woodstock at no additional cost, any or all of the data and records held pursuant to this agreement, in the form as requested by City of Woodstock.

4.3 Rejection of Proposals/Cancellation of RFP

The City reserves the right to reject any or all proposals, to waive any irregularity or informality in a proposal, and to accept or reject any item or combination of items, when to do so would be to the advantage of the City.

It is also within the right of the City to reject proposals **that do not contain all elements and information requested in this document**. The City reserves the right to cancel this RFP at any time. The City will not be liable for any cost/losses incurred by the Offerors throughout this process.

4.4 Proposal Withdrawal

A submitted proposal may be withdrawn prior to the due date by a written request to the Purchasing Manager. A request to withdraw a proposal must be signed by an authorized individual.

4.5 Cost for Preparing Proposals

The cost for developing the proposal is the sole responsibility of the Offeror. The City will not provide reimbursement for such costs.

The following design documents are for the sole purpose of conveying design intent and are not intended for construction purposes. The fabricator may make recommendations and/or changes to the details as shown in the drawings with written approval of the Owner’s representative. The fabricator assumes all responsibility for signage integrity, engineering, field verification and measurements, etc.

Sky Design and the Owner shall review all shop drawings for conformance with the design intent of these drawings only and will not be held responsible or liable for any results of construction from working drawings, materials selection, shop drawings, or any other agreements.

Review

- Site - The fabricator is responsible for verifying all site conditions with regards to fabrication and installation before manufacture of signage. Any conditions that would impede the proper and timely completion of the work should be presented to the Owner’s representative in writing.
- Sign Location Plans - Locations shown on the Sign Location Plans are for general placement. The fabricator shall confirm each sign location with the Owner’s representative and locate via stake and flag for verification.
- Fabricator shall notify the Owner’s representative of any discrepancies in the design documents or graphics schedule as well as discrepancies in field dimensions or field conditions that would require changes in sign construction details. All discrepancies shall be brought to the attention of the Owner’s representative.

Artwork

All enlarging and reducing of supplied artwork images is the responsibility of the signage fabricator. Any discrepancies after enlarging or reducing vs. original artwork are to be addressed with Owner’s representative prior to reproduction. Refer to the design documents for reference as to what artwork will be provided. Sky Design will not submit electronic artwork for contractors use in shop drawings except for custom created logos, icons, typography, etc. Artwork for general fabrication items will not be submitted so please account for this in your timeframes and general costs.

Submittals

Color samples, material samples, submittals, copy layouts, and working drawings are to be provided for approval by the Owner’s representative and Owner prior to manufacture. Full size copy layouts will also be required as needed.

- Shop Drawings - are the responsibility of the fabricator for each of the disciplines contained within and are to include all necessary dimensions drawn to scale, details, internal mechanicals, joint connections, hidden connections, anchorage to footings, section views as needed, etc. These must be submitted and approved prior to beginning any construction. Scans or copies of the enclosed design documents with contractor title block will not be accepted for approval as working drawings. The sign fabricator is responsible for all aspects of fabrication including engineering, installation techniques and performance, as well as coordination with site contractors and related trades.
- Paint - 3 samples of each color to be submitted on minimum 4” x 4” plate. One will be returned; the others will be retained for file references. All paints used must retain a minimum 5-year warranty for interior and exterior signage. This includes no cracking, flaking, or fading. Exterior paints should be 2-part catalyst hardened urethane, base coat, top coat, matte finish unless otherwise specified.
- Mock-ups - samples required for review and approval will be listed on Bid Summary Form.
- Vinyl - All vinyl is to be 3M Scotchcal graphic vinyl, or Gerber equivalent. First surface application unless otherwise specified on drawings.
- Inkjet - 1 proof of each type of inkjet graphic to be submitted at full-size. For large format graphics, a minimum 12” x 12”, full size portion should be submitted. Proofs are to be of equal or greater reproduction quality than the original artwork provided. All inkjet graphics are to be printed on 3M material or equivalent using pigment-based ink to prevent fading and discoloration. If necessary, laminates are to be 3M material or equivalent, gloss or matte finish as specified. Warranty information for all inkjet applications to be provided at no less than five years.

Materials

- All wood, stone, brick or brick veneer components to be sealed to protect against decay, mildew, and discoloration
- All aluminum components and panels to have a minimum wall thickness of .125” or greater

Installation

- All breakaway details to conform to GA DOT standard requirements.
- Pin mounted letters should be set in Hilti epoxy or equivalent to deter theft and vandalism. Exterior pin mounted letters should be set in Hilti epoxy or equivalent and sealed with silicone or equivalent waterproofing sealer.
- Signage design and installation for this project must conform to all federal, state, and city regulations and ordinances. It is the responsibility of signage fabricator to submit drawings to the proper agencies for review and approval prior to construction. It is also the responsibility of the signage fabricator to obtain the necessary permits and approvals prior to construction.

Signage Protection

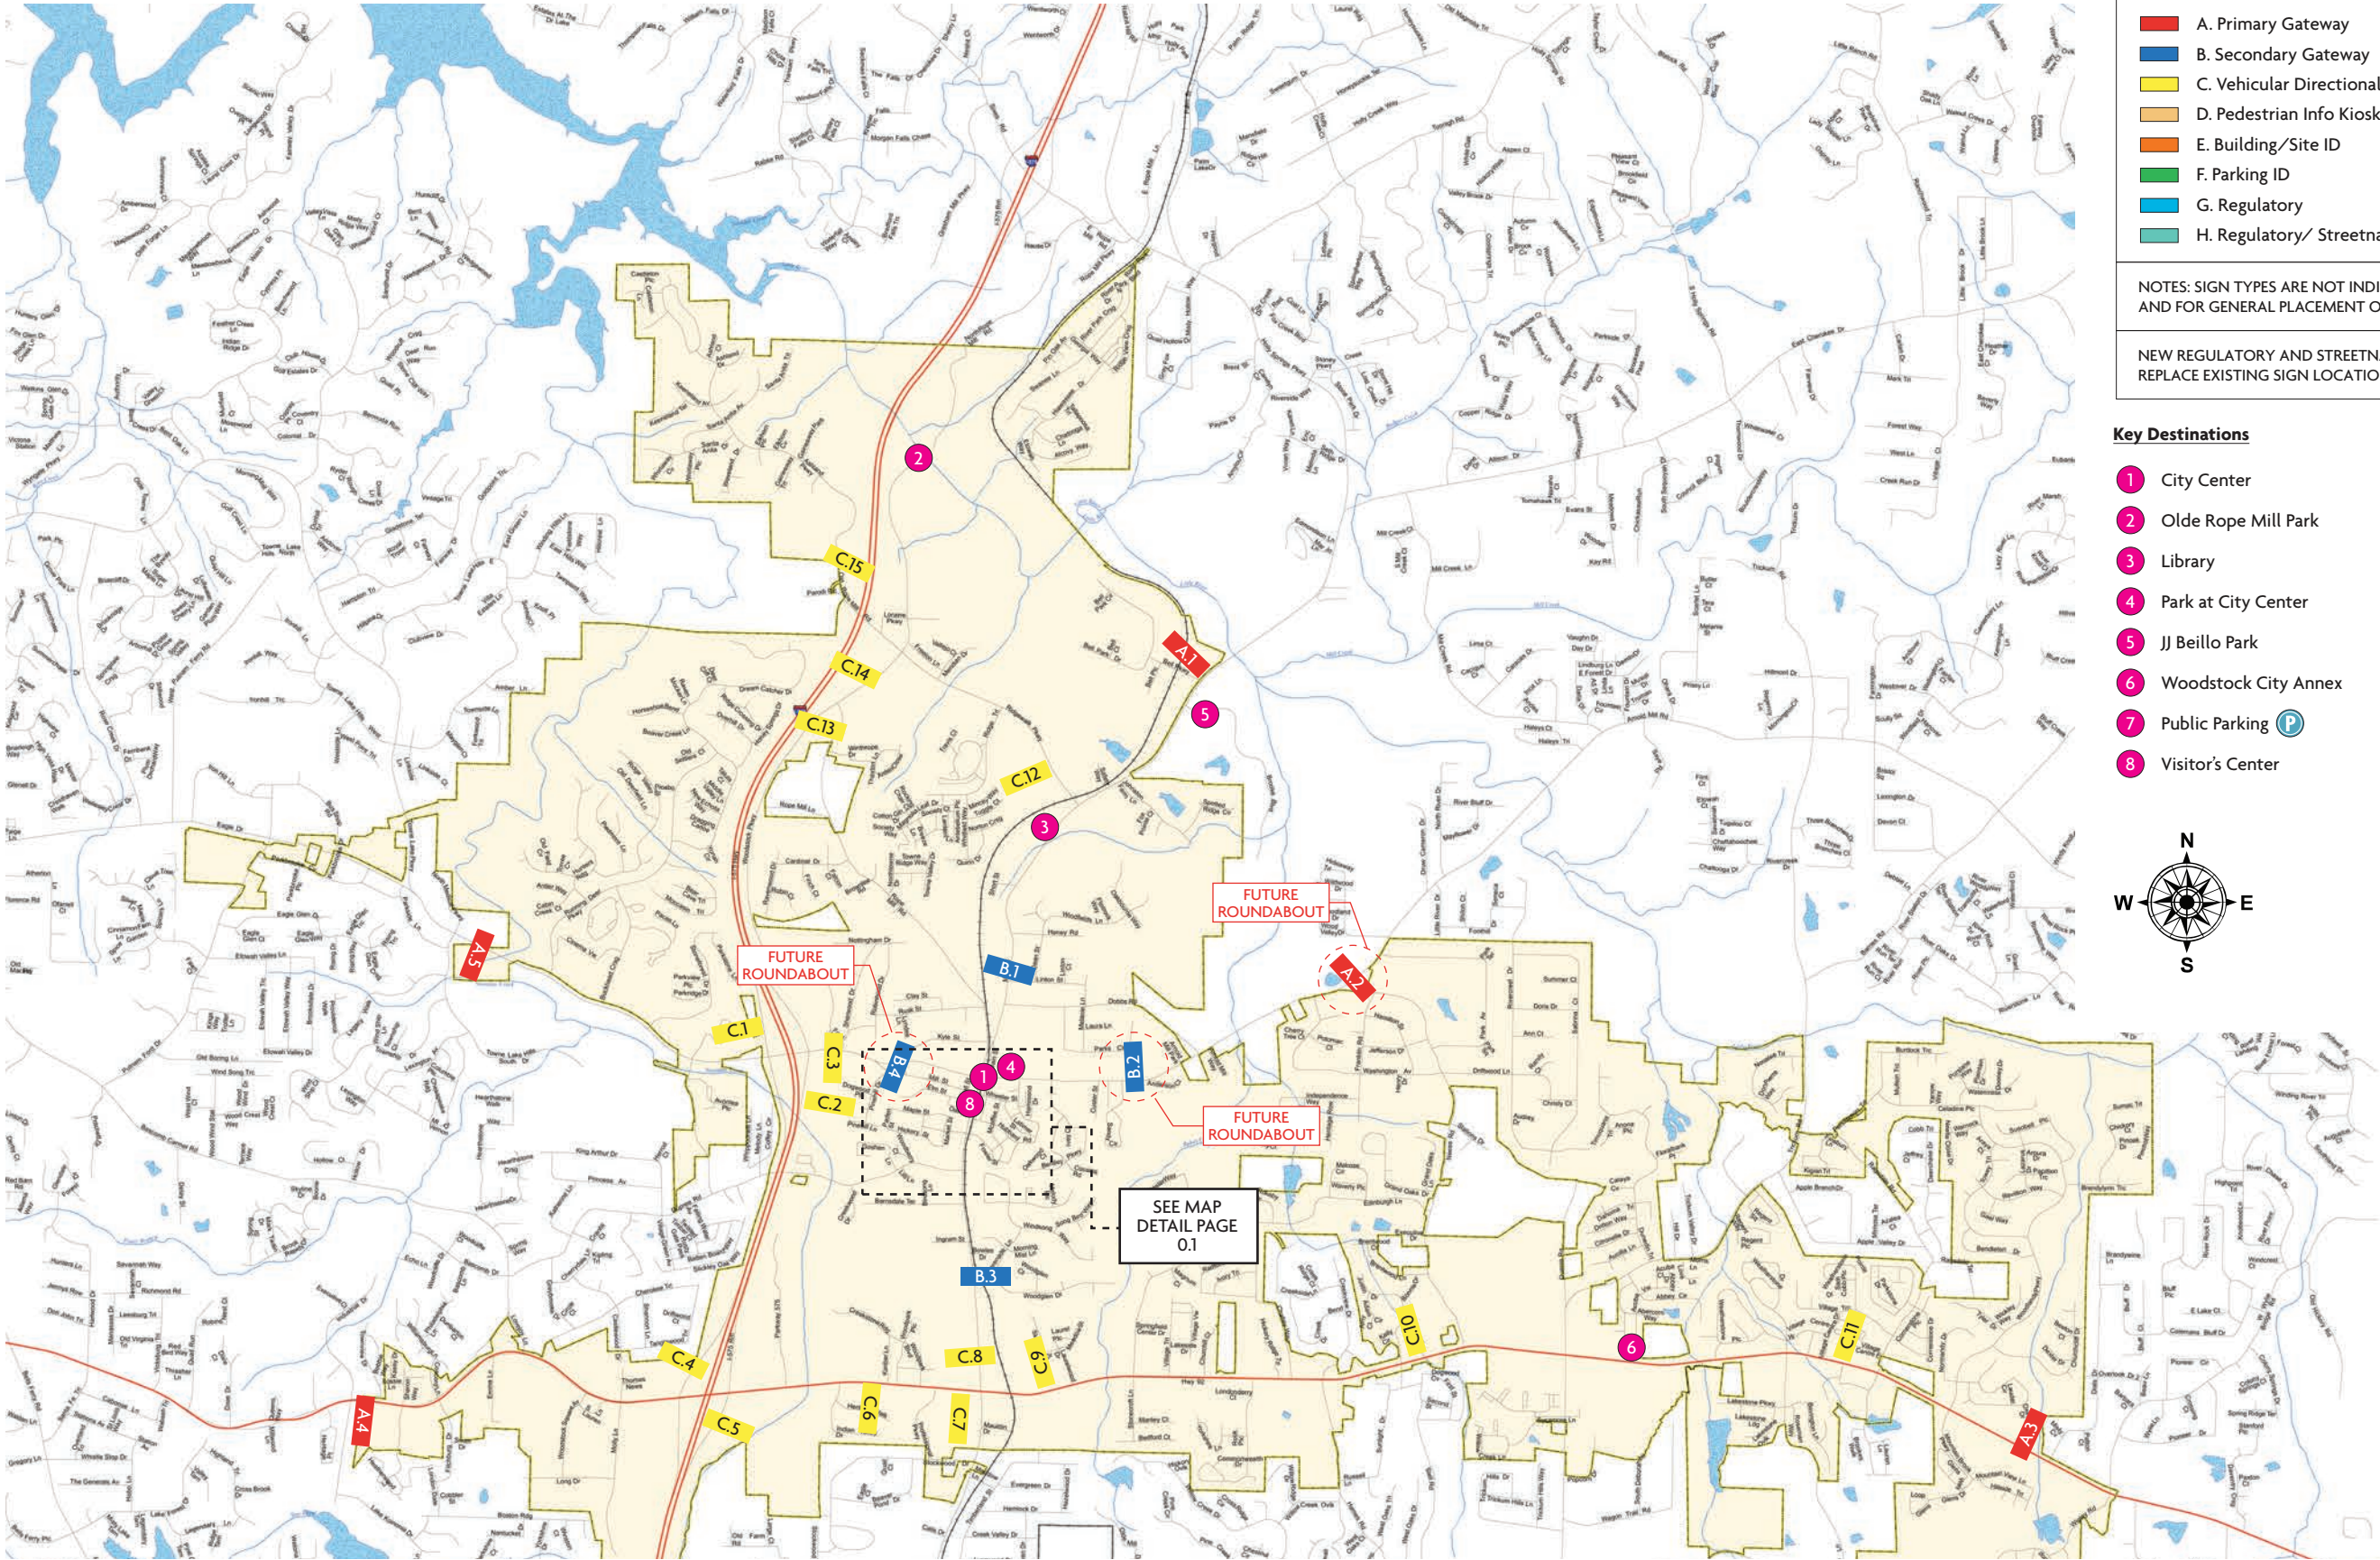

Fabricator to coordinate protection of all signs until punch list is completed by Owner.

Warranty

Fabricator warrants work against failure due to faulty materials, workmanship, and design for a period of five years from date of substantial completion. Fading, cracking, oil canning, peeling, delaminating, rusting, corroding, and structural failure, including distortion, will be construed to mean failure due to faulty materials and workmanship. All products, materials, adhesives, paints, etc. shall be covered by standard warranty. Failures during the warranty period shall be repaired or replaced to the satisfaction of the Owner.

Proprietary Information

Sky Design shall have the right to include a credit line on completed designs or any visual representation of drawings, models, sketches, photographs, etc. created by Sky Design in the development of this signage program. The credit shall be included in any publication of the designs by the Owner or by others.
